The Codex of Awakening Magellan
“If the doors of perception were cleansed everything would appear to man as it is, Infinite." William Blake What if you had access to the answers to some of the mysterious deaths of popular figures in American culture? What was behind the deaths of Kurt Cobain, Jim Morrison, Heath Ledger, or Tupac Shakur? Or what would someone like Heath Ledger have to say about the afterlife? You just might be surprised. What are the keys to afterlife communications? Are there tools to assist us with communicating with deceased loved ones? The Codex provides these tools and more. The Codex of Awakening is a book designed to open the doors of perception. It doesn’t take a Bible scholar to realize that there are gaps in the sacred information presented in the Bible. For the first time, uncover the portals of direct communication with the Archangels, information not found in the many versions of the Bible found today. Further, explore never before revealed secrets to the ‘other side’ or the steps given to discover the truth of the ‘other side’ channeled from Archangels, Saints, and Ascended Masters. This book, like no other on Earth, provides tools and portals to the truth to assist those seeking their soul’s true purpose.
