The Lizard Cage

Karen Connelly

The Lizard Cage Karen Connelly
Beautifully written and taking us into an exotic land, Karen Connelly's debut novel *The Lizard Cage* is a celebration of the resilience of the human spirit.

Teza once electrified the people of Burma with his protest songs against the dictatorship. Arrested by the Burmese secret police in the days of mass protest, he is seven years into a twenty-year sentence in solitary confinement. Cut off from his family and contact with other prisoners, he applies his acute intelligence, Buddhist patience, and humor to find meaning in the interminable days, and searches for news in every being and object that is grudgingly allowed into his cell.

Despite his isolation, Teza has a profound influence on the people around him. His very existence challenges the brutal authority of the jailers, and his steadfast spirit inspires radical change. Even when Teza's criminal server tries to compromise the singer for his own gain, Teza befriends him and risks falling into the trap of forbidden conversation, food, and the most dangerous contraband of all: paper and pen.

Yet, it is through Teza's relationship with Little Brother, a twelve-year-old orphan who's grown up inside the walls, that we ultimately come to understand the importance of hope and human connection in the midst of injustice and violence. Teza and the boy are prisoners of different orders: only one of them dreams of escape and only one of them will achieve it—their extraordinary friendship frees both of them in utterly surprising ways.

This specific book exist new knowledge the information that exist in this guide represented the condition of the world at this point. That is important to yo7u to know how the improvement of the world. This particular book will bring you in new era of the internationalization. You can read the e-book in your smart phone, so you can read the idea anywhere you want.

Leonard Jones:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Lizard Cage can make you sense more interested to read.
