Create Your Own Website (4th Edition) Scott Mitchell
Build a great personal or business website… absolutely no experience needed!

Why pay a professional web developer? If you can use a word processor, you can do it yourself! This package contains all the software, templates, and simple step-by-step instructions you need to build a great site in practically no time!

Build sites like these using our professional-quality templates:
-Family sites
-Hobby sites
-Community and nonprofit sites
-Online storefronts that accept credit card payments via PayPal
-Post video on YouTube

8 Easy Projects
In this book you'll see just how easy it is to create your own website. The CD included with this book contains professional website templates and a free web page editor. With the web page editor, you can quickly and easily customize the templates into your personal websites. Better still, using the editor is as simple as using a word processor.

Use easy web-based services to:
-Sell products at your own eBay Store
-Create your own personal or professional blog
-Display your digital photos on your own Snapfish site
-Share your videos on YouTube
-Create a MySpace page that'll stand out from the crowd
-Build your social network with your own Facebook presence

You won't believe how easy it is to build your own site...or how much fun!

CD-ROM contains all the tools you need:

- The complete open source SeaMonkey Suite software toolset for building websites (no restrictions, not a demo!)
- HTML sample templates
