Independent Medical Evaluations Thomas G. Grace
For the first time, a complete multimedia package enables you to conduct and document the IME with confidence and efficiency. More than a "guide," these integrated resources expedite the entire process: Fourteen printable forms orgganize paperwork and speed the IME report A comprehensive text explains the terminology, perspectives, and responsibilities unique to an IME and the presentation of expert testimony Narrated videos demonstrate correct technique for 28 key tests Distinct nuances of language, such as "medically probable" and "medically necessary," are sharply defined throughout the text and supportes with a detailed glossary. A collaborative team of orthopaedic surgeons and attorneys prepares you for the very different role you assume - and your relationship to key players. We've paid special attention to differentiate concerns specific to workers compensation cases vs. personal injury litigation, including sample IME reports specific to each. Whether you are new to the IME or have conducted many, Independent Medical Evaluations will make your next IME easier and more efficient.
