The Thirsty Earth: A Novel David Valentine Bernard
A twelve-year-old Caribbean boy wakes up to discover his grandmother, his only relative on the island, has died during the night. On his way into town to tell the authorities—and call his mother in America—he becomes the lone witness of a police execution. Worse, when he calls his mother's phone number, he gets a message saying the number has been disconnected. As he struggles to survive on his own, the boy finds himself holding secrets that could have devastating consequences—not only for his own survival, but the island's as well.
