A Foucault Primer: Discourse, Power and the Subject

Alec Mchoul, Wendy Grace

A Foucault Primer: Discourse, Power and the Subject Alec Mchoul, Wendy Grace

In such seminal works as *Madness and Civilization*, *Discipline and Punish*, and *The History of Sexuality*, the late philosopher Michel Foucault explored what our politics, our sexuality, our societal conventions, and our changing notions of truth told us about ourselves. In the process, Foucault garnered a reputation as one of the pre-eminent philosophers of the latter half of the twentieth century and has served as a primary influence on successive generations of philosophers and cultural critics.

With **A Foucault Primer**, Alec McHoul and Wendy Grace bring Foucault's work into focus for the uninitiated. Written in crisp and concise prose, **A Foucault Primer** explicates three central concepts of Foucauldian theory—discourse, power, and the subject—and suggests that Foucault's work has much yet to contribute to contemporary debate.
