Introduction:
First of all, thank you for picking this book, as it proves your sincere interest in the subject of Airbrushing. Second, I'm here to prove to you that it's easy to learn, as compared to common misconceptions you may have heard. One of them, that you have to be a real artist, is untrue. As with most everyone who is starting to airbrush, you begin with being self-taught by reading books and also trial and error. Eventually, there comes a point when you are doing the same thing over and over and finally get it! Third, remember that proper skills and the right techniques give you a larger percentage for individual success in airbrushing. So, stick with me and I will introduce you to airbrushing and, the things you need to learn to do it correctly, including the right materials tools. Follow along to make your first Airbrush art a Masterpiece.

So Read this eBook carefully and practice the exercises, especially for your trigger control, every day. This is for your own benefit. Work the Airbrush exercises next, so Good Luck and have fun.
