As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for.
