The thing about Charisma

Have you ever wondered how somebody seem to have a more magnetic personality than others do? They seem more confident, popular and attractive, and seem to accomplish more of their plans than you do? A reason for it could be that they have developed their Charisma.
Charisma is not a single skill. Rather it is a sum of many skills. Through this book, you will learn the art of body language, the art of rapport building and making a good first impression, the art of active listening, the art of making small talk, and the art of effective questioning.

The thing about charisma is that apart from developing it, it must also be sustained. In order to keep persuading others to follow you, you need to keep producing the same results and more. The moment your followers stop seeing results, in their eyes, you turn from extraordinary back to ordinary. You fall right down from the pedestal. But how do you do it? After all, one cannot create wonders forever. What happens when you've finally ran out of tricks up your sleeve?

This book will help you with the answers you need to develop a more magnetic personality!

In this book you will learn…

- What Charisma is and which personality traits are required
- Using your body language to increase your influence
- Building rapport and making a good first impression
- Active listening and gathering useful information
- How to question effectively
- Quick and simple techniques for influencing others

Quit feeling clueless. Reclaim your power! Use this book to develop your charming and attractive personality to increase your popularity and influence today! Scroll up and click "Buy Now" before it's too late!
