Building an online news site: The TideArt.com story Patrick Lambert
This is the story of TideArt.com, a digital art news site which started around two years ago from nothing and grew to serve over 70,000 page views per month from users in 40 countries. By describing what it took to start the site from almost no budget, going through creating the web site, making content, marketing and more, the hope is that anyone who wishes to build a small or medium informational site can learn valuable lessons to apply on their own projects.

** This ebook contains approximately 11,000 words.
