Death Valley Scotty

Robert Carter

Death Valley Scotty Robert Carter
Around the beginning of the 20th Century, Walter E. Scott - Scotty to his friends - was passing through Death Valley, California, when he happened upon a dead man. Beside the corpse was a dog dying of thirst, and in the man's pocket was a piece of rock glittering with pure gold ... So begins one of the most endearing tales to come out of the American West. Scotty seized he day. He buried the body, saved the dog and worked out a plan that would change not only his own life, but that of many others. One of the lives Scotty changed was that of Albert M. Johnson, a wealthy but disabled Chicagoan who yearned for adventure. Johnson wanted for nothing in material terms, but he had suffered a broken back in the train wreck that had killed his father. Despite inheriting the biggest insurance company in the Midwest, he was not a happy man, until Scotty appeared, that is. Scotty loved to have a good time and to be the centre of attention. He was a romantic soul, a natural-born showman with a talent for making things happen. He used whatever money that came his way to enjoy life and enhance his reputation as a gold miner, but he also enriched the lives of others in a way that was his and his alone. Scotty played the newspapers of William Randolph Hearst at their own game. He ran financial risks that would make the average person dizzy, but he remained the kind of man that folks always wanted to see win. Death Valley Scotty is a tightly crafted story that follows the life of a loveable rogue through more ups and downs than you'll find in the Sierra Nevada. See how his luck changes as his plans start to unravel. Follow him as he works himself out of yet another tight corner and stays one step ahead of the law. Who knows what will happen next? "Death Valley Scotty" is reminiscent of "True Grit." It has the uplift of "It’s a Wonderful Life." Set in a time when freedom seemed easier to find, this is a read that will surely make you smile.
