Payback is a Bitch (Tales from the Shadows) James Loscombe
Tales from the Shadows is an anthology series in a similar vein to Rod Serling's landmark series but with a few twists of my own. The stories themselves may be unrelated but you might find places and names that crop up from time to time revealing a larger story.

When Walter is suspended from school he just wants to quietly wait for the summer holidays to start so he can see his friends again. But his parents are worried he will be lonely so they bring home Darla. The dog he never wanted.
