Daddies

Lila Prap

Daddies Lila Prap
What do lions, hippos, kangaroos, and giraffes have in common? They all have Daddies! Rhyming text punctuated with fun animal noises makes Daddies a read-aloud treat. Prap's bold art has been a hit with critics and consumers alike. This book with its ""daddy"" theme is perfect for Father's Day promotions, tables and windows. The delightful rhyming text will engage even the youngest child and makes it a great ""cuddle time"" book to be shared between father and son. Great for trade, institutional, gift accounts, and baby shops, the animals make it a candidate for zoos too.
