Faith Ashe Barker
Following her husband's sudden, tragic death, Faith is left widowed after only six months of marriage. She wallows in grief until a neighbour, Ewan, reaches out to her. Although his work takes him away a great deal, Ewan slowly becomes Faith's rock, helping her heal and encouraging her as she struggles to rebuild her life. As time passes, Faith grows more and more attracted to Ewan, but one thing holds her back: he is a dom, and she is not ready to be a sub.

Though the idea of kneeling naked at Ewan's feet excites her in a way she can't fully understand, Faith fears that his sexual appetites would prove too much for her. But when he discovers that she has been exploring the lifestyle without his knowledge and hiding her activities from him, Ewan issues an ultimatum: either she becomes his submissive, or they go their separate ways. This is just the push Faith needs, and in the end her decision is not a difficult one.

Ewan quickly proves to be a firm, commanding lover who is more than capable of mastering her completely. He challenges Faith's boundaries and introduces her to a level of sensuality she never dreamed she could experience, and Faith soon finds herself at peace in a way she has not felt in years. But when fate takes another turn and she learns the truth about her husband's death, can Faith count on Ewan to be by her side as she adjusts to a new reality yet again?

Publisher's Note: Faith is an erotic novel that includes spankings, sexual scenes, anal play, extensive BDSM content, and more. If such material offends you, please don't buy this book.
