The A to Z of the Korean War (The A to Z Guide Series) Paul M. Edwards
The Korean War was the first pitched battle between the communist forces and a coalition of the United Nations. While it was not the last such war in Asia, it did stem the tide in East Asia and permitted South Korea to prosper while North Korea decayed. Dictionary entries summarize the significance of the persons, places, organizations, military operations, battles, weaponry, and other elements of the war.
