Brad McClure

The Banshee House: A Story of Mystery, Murder, and Adventure Brad McClure
Quietly, without drawing attention to themselves, a group of five men and two women, all with a special concern, met secretly to discuss the impact of the planned construction project at the local old abandoned hotel. They were friends and long-time local citizens, bound by a single incident, which they had successfully hidden from the rest of the world. Now, the planned construction rekindled old, deeply hidden emotions as well as a renewed terror into their very hearts and souls. It was fear, although never really forgotten, that had laid dormant for more than twenty-five years.
