The God Complex Chris Titus
SYNOPSIS:
Inspired by actual events, The God Complex takes readers on a thrill ride through Chinese medicine. Discover the secrets of the Orient as you embark on a 'factional' adventure pitting Eastern medicine against its critics in the West. Each clue brings you one step closer to solving the mystery and uncovering an ancient secret that connects Chinese medicine to martial arts. **Setting**: Prague (see below)

WARNING:
This book has nothing to do with religion. If you are looking for a pleasant story relating to religion, this is NOT your book. However, you SHOULD buy this book if you are looking for a fast-paced adventure novel in which you'll discover an ancient, hidden connection between Eastern medicine and martial arts. This book is based upon actual events as experienced by the author over a fifteen year period. These events have been woven into a fictional story line to engage the reader in a way that makes the concepts more easily digested. This book contains graphic violence and sexual content. While this is a 'factional' novel, more of this story is fact than fiction.

WHAT IS A GOD COMPLEX?
A "God Complex" is a psychological term that refers to people who believe they are infallible. It's often used in reference to doctors. The God Complex is a based upon a real life medical mystery during which the author visited more than 140+ physicians in Boston and Chicago over a fifteen year period. Many of the encounters he had with the God complex were condensed into two characters. Readers who have been frustrated patients at the hands of incompetent medical staff will likely appreciate this story line to its fullest.

SETTING:
Set in Prague, The God Complex also serves as a surrogate tour guide, offering readers a unique perspective of the city and its culture. Learn a few Czech words, dishes, and customs. **Download** a free self-guided tour from the book's website and turn your trip to Prague into an adventure. Sip coffee in the same cafe where Paul Benson pieces together his brother's mysterious murder. Or, dine with locals on succulent pig's knee in the shadow of the Prague Castle. Tour includes map with thumbnail images, transportation and chapter references, and useful vocabulary.

KEYWORDS:
Traditional Chinese medicine, five element theory, martial arts, dim mak, qigong, western medicine, Prague, Czech Republic, Boston, Massachusetts, English as a Second Language (ESL), teaching abroad, travel, history, and culture.
