Away With All Gods!: Unchaining the Mind and Radically Changing the World Bob Avakian
Bringing a unique revolutionary communist voice to the current discourse about god, atheism and morality, Avakian demystifies religious belief and examines how, even in its most progressive interpretations, religion stands in the way of the emancipation of humanity. A thread deeply woven throughout Away With All Gods! is the need to fully rupture with all forms of superstition, and to take up instead a truly scientific approach to understanding and transforming reality.

Whether you believe in god, or are an agnostic or an atheist, Bob Avakian will challenge you with his powerful critique of long-established traditions and his liberating vision of a radically different world.
