From its founding until 1975, NSDFP published thirty-four volumes of lineage records (available at many libraries), encompassing the proven lineages of its membership. In 1975, NSDFP published this Index to the lineage records.It gives the date of birth and death of each Founder and Patriot, his date of marriage, his wife's name, the name of the State in which the Founder settled, and the volume number and name where the full lineage record showing descent to the "Daughter" is set out. Thus, in this one volume is the thread linking the Founder ancestor to the Patriot ancestor and a reference to the lineage record showing descent from both. Incredible!
