Termination Orders

Once a trained killer for the CIA, Dan Morgan has built a new life for himself. But when he receives a desperate plea from his former Black Ops partner--reportedly killed in a foreign battle zone--he flies to help. It should be a routine mission, extracting a human asset from the region. But it's not routine; it's an ambush. Now Morgan is running for his life, holding crucial evidence. With his contacts dead and family in danger, Morgan must take on a full-scale conspiracy in the highest echelons of a vast global network that plays by its own rules--when it suits them.

For Dan Morgan, it's about to come to an end in Washington, D.C., on a national stage, in the crosshairs of a killer. . .
