His Billion Dollar Love (Billionaires in Love Bundle)

My Billionaire's Baby: A tale of jealousy, young love and redemption.

Even though Max came from a wealthy family, he was headed to the poorhouse. He refusal to go to college and his constant fights with his father left him depressed, on edge, and dangerously irresponsible.

With Charlotte, he wanted to do everything right. Too bad she just wasn't interested after he cheated on her. She used him for pleasure, but didn't want anything else from him.

Poppy, on the other hand, had loved him since they met. Max only ever saw her as a friend, until one drunk night...

Now he has two bundles of joy on the way, and a messy life to clean up fast.

He Takes My Breath Away: Is he just another jerk, or the answer to all her problems?

He's almost definitely a loser, so why is she so enthralled by him?

Summer only dates scumbags. If he doesn't dine and dash on her, he'll end up being a cheater or a drunk. When the patient of a psychiatrist comes in and harasses her for a date, she turns him down and he leaves her with spit on her face.

Bradley Strange sees the whole disgusting thing go down, and he acts fast. When he kicks the jerk out, he asks Summer out on a date... but she turns him down, assuming he's visiting the lawyer's office for a divorce.

When he shows up while she's on a date with a man who works on Wall Street, everything seems to get much worse. She's threatened with a gun and left scared for her life. Will Bradley be able to keep her safe and win her over?

The Sadist's Proposition: He wants your complete and utter submission.

Jen Smith had to walk out on her boyfriend after she catches him cheating, but she was too scared to stay at a shelter.

No one else was willing to take her, until a wealthy businessman found her. He offers to take her to all the finest stores and feed her all the finest food, and he only asks one thing: fulfill his sadistic sexual appetites. Will she be able to stomach the pain for financial security?
