THE SPACE BETWEEN:

When Drake started the night at his father's campaign fundraiser, he never imagined he'd end it being conned into buying drugs on the West Side. Losing high-stakes poker has its consequences, but he'd repeatedly face them just to hear Lacey Douglas sing. Drake sees Lacey light up the stage, and he has to have her. But his intentions for being on her side of town turn out to be the reason he can't.

Chicago native Lacey has dreams of the opera, but life has its obstacles. Lacey has come to know her hardships as part of living in the real world and accepts them fully. When Lacey meets the intense and invigorating Drake, a fire is lit inside her, unleashing those dreams again.

Two paths that should have never crossed prove to create the exact pairing the other needs. But when their worlds take time to catch up, everything they have is tested. Finding the space between the two sides that challenge them will be hard, but it's the only place that will keep them together.

THE DIVIDING LINE:

Set to the backdrops of Paris and Chicago, Drake and Lacey's story continues in The Dividing Line. When more than distance proves to be between them, Drake and Lacey must discover who they are in order to establish what they are together.

DRAKE'S DESTINY:

They've been through heartache, loss, and tragedy. But what lies in Seoul, South Korea is a whole new

journey. Drake's Destiny is a novella to the new adult multicultural romance, The Dividing Line.
