No longer an Omega, Deirdre Tombs has found her animal. She only had to die and rise from her own ashes to discover it.

And she’s returned with a purpose.

For the first time in history, the role of Alpha is up for election. If Everton Stark takes charge, he could disband the ruthless government organization that has made life miserable for shifters like Deirdre.

One problem: Stark doesn’t want to run. He only wants vengeance against his wife, Rhiannon, who killed many of his followers and stole the Ethereal Blade.

While Stark is focused on revenge, Rhiannon is focused on winning the election for Alpha. Victory means tearing the Winter Court apart with civil war. It means riots. It means unleashing a deadly unseelie assassin that devours souls. Anything to get her dragon shifter mate in power…with Rhiannon at his side.
