El Presidente Barack Obama: Entrevista Kindle Singles (Spanish Edition) David Blum
En esta entrevista para Kindle Singles, el presidente Barack Obama nos habló sobre el “cambio de cultura” que ha modificado la visión del sueño americano. En el pasado “los jóvenes no estaban tan sumamente expuestos al estilo de vida de ricos y famosos”, afirmó el presidente. “Ni estaban constantemente pendientes del vestuario de Kim Kardashian, ni de dónde veranea Kanye West, ni asociaban estas banalidades con el éxito”. Obama abordó la cuestión de empleo desde una perspectiva personal que lo llevó a reflexionar sobre cuán diferente habría sido su vida si no hubiera tenido éxito en política. “Me imagino a mí mismo como un buen profesor” declaró Obama durante la entrevista.

En la entrevista, que tuvo lugar el 30 de julio de 2013 en un centro de Amazon en Chattanooga, Tennessee, Obama habló de la creciente necesidad de desarrollar programas gubernamentales que resulten en cambios positivos para la sociedad. Fiel a su mensaje habitual, se sinceró sobre la creciente polarización de la política estadounidense desde la Gran Recesión, y de la intransigencia que ha mostrado el partido republicano hacia su plan de gobierno. También hubo tiempo para las reflexiones personales y mencionó que la primera dama y él recuerdan constantemente a sus hijas que “viven en un entorno ligeramente irreal” ya que son unas niñas privilegiadas en un mundo azotado por el desempleo y la recesión.

La entrevista fue realizada por David Blum, que trabaja para Amazon como editor del sello Kindle Singles. Blum empezó su carrera como periodista para *The Wall Street Journal*, y ha sido redactor jefe de *The Village Voice, New York Press* y *02138 Magazine*. Anteriormente trabajó como periodista y redactor de *The New York Times Magazine*, y fue redactor de las revistas *New York* y *Esquire*. Bloom ha escrito dos libros: *Flash in the Pan: The Life and Death of an American Restaurant* (1992), y *Tick...Tick...Tick...: The Long Life & Turbulent Times of 60 Minutes* (2004). Bloom es licenciado en Literatura Inglesa en la Universidad de Chicago.
