Max doesn't know the computer contains clues to a 20 year-old murder but then, the murdering thief doesn't know Max stored a copy of the stolen computer on his iPod. Too bad for the bad guy, the copy contains evidence that could get him the death penalty.

Now, Max is the last one alive who knows why people are dying. If he can outwit the killer, he can return to his bar stool on the beach. If not, he'll be victim number five.
