ROMANCE: MILITARY ROMANCE: The Soldier's Baby (Pregnancy Bad Boy Military Romance) (Contemporary New Adult Alpha Male Romance) J.Y. Mitten
He's been gone for eight months. The only question for Claire now: "Will he love me, and will he love our baby?"

The Soldier's Baby
Their week together was one to remember.
How could Claire forget, carrying around the evidence of it with her day and night, plainly seen by anyone?
The whole thing was so unlike Claire in the first place.
She was usually so cautious and careful.
It certainly wasn't part of any plan to have Derek's child.
Now, he's finally back from an eight month tour overseas.
Claire couldn't bring herself to tell him.
There will be no hiding it when he walks in that door.
Claire has already made her choice and now it's Derek's turn.
Were any of those feelings he seemed to have still there, or even real?
No way for her mind to stop replaying everything over and over again.
The past eight months went by so fast.
How could these final moments waiting to meet him seem to last an eternity?
