The Death of Innocence

John Ramsey, Pat Ramsey

The Death of Innocence John Ramsey, Pat Ramsey
The Death of Innocence is part memoir, part murder mystery...[It] paints more than a plausible picture of a family victimized at first by the horrific murder of a young girl and then by a relentless media and police campaign to smear their reputation and prove their guilt. As we read their account of the hellishness of their lives since their daughter's murder, we realize that nothing has been fair.

• What the stunning DNA evidence actually revealed
• What the Grand Jury really heard
• The truth about the photographs doctored by the press
• The startling oversights of the Boulder police
• Why officials neglected to follow any other leads
• Every lie, myth, rumor, and innuendo invented by the media to ruin the family's reputation
• The actual findings of forensic experts
• The inside information that could finally bring the real killer to justice

Includes 16 pages of personal photographs.
