Alpine Woods Shifters, #4 All's fair in love and war.
As leader of a fox skulk, Cody is used to feeling protective. But when his best friend, Misty, gets attacked, his panic has nothing to do with duty. Suddenly, he's noticing Misty as a woman instead of the girl he grew up with. But pursuing those feelings would risk their friendship, something he's unwilling to do.
Misty's tried everything, without success, to convince Cody she's not "one of the guys". Yet now that he's looking at her like she always dreamed, he pulls away every time she gets close.
Danger lurks in the background, waiting to pounce. Someone plots against the foxes, leaving them all in jeopardy...especially Misty. Will Cody overcome his fears in time to save the woman he loves?
