Above All, Honor Radclyffe
In the first in the Honor series, Above All, Honor introduces single-minded Secret Service agent Cameron Roberts and the woman she is sworn to protect—Blair Powell, the daughter of the President of the United States. Cam's duty is her life and the only thing that keeps her from self-destructing under the unbearable weight of her own deep personal tragedy. However, she hasn't counted on the fact that the beautiful, willful first daughter will do anything in her power to escape the watchful eyes of her protectors, including seducing the agent in charge. Both women struggle with long-hidden secrets and dark passions as they are forced to confront their growing attraction amidst the escalating danger drawing ever closer to Blair.

From the dark shadows of rough trade bars in Greenwich Village to the elite galleries of Soho, each must balance duty with desire and, ultimately, choose between love and honor.
