As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
