Reading Material Culture: Structuralism, Hermeneutics and Post-Structuralism (Social Archaeology)

Reading Material Culture: Structuralism, Hermeneutics and Post-Structuralism (Social Archaeology) Central to any understanding of the significance of material objects, whether contemporary or prehistoric, is a discussion of the very nature of interpretation itself: how we 'read' artefacts and inscribe them into the present. This book examines the complex relations between material culture, social structures and social practices from structuralist, hermeneutical and post-structuralist viewpoints.
