The Young Traveler's Gift Andy Andrews

Before David Ponder ever visited Truman in *The Traveler's Gift*, Michael Holder began his journey as the last young traveler to receive the unique gifts of wisdom offered by historical greats.

In his senior year of high school, Michael hits rock bottom. Having been caught in the wrong place at the wrong time, he has now been suspended from the track team and lost his college scholarship. His coach is angry, his parents are disappointed, and he's diving headfirst into a downward spiral. Facing the bleak future ahead, he sees no way out and wonders if life is really worth living. But with some divine intervention, he's given a second chance when he's offered a once-in-a-lifetime journey of discovery.

Rewritten to engage the minds of teens and tweens, *The Young Traveler's Gift* is sure to encourage and enlighten young men and women as they prepare to face the journeys that lie ahead.
